The Canadian Nurses Association (CNA) offers registered nurses in Canada a yearly opportunity to become certified in their nursing specialty. Please visit the CNA website at www.cna-amic.ca.

**OBJECTIVES**

Registered Nurses (RNs) participating in this workshop will have the opportunity to:

1. Apply knowledge that is relevant to the core content areas of the CNA gerontological nursing certification exam.
2. Identify learning needs that relate to the content areas tested on the CNA exam.
3. Review resources available to study for the exam.

**WHO SHOULD ATTEND**

- RNs registered to write the CNA certification exam in gerontological nursing.
- GNC(C) certified RNs seeking recertification education hours.
- Nurses or others who want to review core concepts in the care of older adults.

**REGISTRATION INFORMATION**

Fee:  
- $20.00 for THP staff  
- $25.00 for non-THP staff

Confirmation of registration & receipt will be e-mailed to you. Your workshop package will be distributed at the workshop.
